Enrolments: number of students invited to participate in a course evaluation. For aggregate reports this will be the sum of enrolments in multiple courses, but will exclude enrolment counts for any evaluation with zero responses.

Respondents: number of students who submitted an evaluation of a course. This figure excludes any student who submitted an entirely blank evaluation (either paper or online).

Response rate: number of respondents divided by enrolments, displayed as a percent.

Overall satisfaction: percentage of responses to who marked 'Agree' or 'Strongly agree' to question 6 'Overall, I was satisfied with my learning experience in this course.'

N/A: survey results are not displayed where the number of available responses is less than 5.

Note: there may be slight differences the content of aggregate time series results, compared to previously published aggregate results. These differences are caused by late evaluations, changes over time in Subject/Catalogue codes, or changes in the primary organisational location of a course.
